SUBJECT: Hildegard LAECHERT, born March 19, 1920 in Berlin,  
residing in Walldorf, Kreis Heidelberg, Alte Friedhofstrasse  
bei RIEMERSPERGER

According to information available to the local office, the above mentioned person has been in the Horrenberg late-returnee camp since approximately mid-May 1957. She is accompanied by her 18 year old son, Dieter, and her 16 year old daughter, Karin.

The above mentioned person was interrogated by the local office as a late-returnee from Poland since it was definitely assumed that she had been contacted there by an intelligence agency.

During a previously conducted investigation it was learned that she attracted attention, both in the camp in Ulm and later in the late-returnee camp Horrenberg, through her large expenditures of money (purchase of an automobile). In Horrenberg she drew special attention through her hiring of taxis and other large expenditures of money. In addition it was ascertained that she participated in conspirative meetings.

Since it was known that on Saturday, June 22, 1957 she was to have another meeting, this meeting was observed by the Karlsruhe Field Office. She was talked to in the afternoon during which it was ascertained that she was in contact with a Herr FRIEDRICH who had informed about the meeting on June 22, 1957 by means of a telegram from Goslar signed with the name "Friedrich". According to her own statements, she was first interrogated by a US agency after her arrival in the Federal Republic.

Because of this statement it is assumed that LAECHERT was interrogated by your agency.

Due to this state of affairs LAECHERT was instructed that in the future she should only discuss her contact to Herr FRIEDRICH and to move cautiously.

We would only like to ascertain if LAECHERT is in contact with your organization.
